Once you have completed the order, you will receive an email confirming the order, in which you will be presented with a download link to receive notes. In order to transfer, click the note icon at the bottom of the viewer. If a transposition is available, different transposition half-tones. If not, the note icon will remain gray. Most of our scores are transposed, but not all of them, so we strongly recommend that you check it out before making your purchase online. You can do this by checking viewer, where the note icon is presented. If it's completely white just click on it and there will be the following options: Original, 1 Semitone, 2 Semitones, 3 Semitones, -1 Semitone, -2 Semitones, -3 Semitones. This means that if the composers anon. began the song in the original key of the score C, 1 Semitone means transposition in C. If you chose -1 Semitone to score initially in C, transposition in B will be done. If your desired notes are transposed, you can transfer them after the purchase. Be careful to transfer first then print out (or save as a PDF). When this song was released 28/28/2018 it was originally published in key . Not all of our notes are transposed. In order to check if Beauty and the Beast - Violin can be moved to various keys, check out the note icon at the bottom of the viewer's music sheet as shown in the picture below. Just click on the icon, and if there are additional key parameters, it is likely that this note is trans-referenced, one print order can either print or save as a PDF. Chosen by our editorial board.
